Please make sure that the letter and child's name is legible. If not please write the child's name and at least one item that they would like for Christmas. On the envelope and/or letter please write the child's name and return address so that Santa's elves can send a return letter to the child.

THE SEASON OF LEAVES

The cooler fall weather brings forth the season of leaves! Please help the Public Works Department by following our collection rules and regulations. This will make the busy collection of leaves smoother and will reduce costly repairs to our suction machine.

General Rules for the Collection of LEAVES:

SMOKE ALARMS

If you need assistance with checking your **smoke alarms** or changing the battery, please contact the Winterville Fire-Rescue-EMS Department at (252) 756-2515 or email at fireinspections@wintervillenc.com.

EMERGENCY DIAL 911

- * **ALL YARD WASTE** items should be placed at curbside, behind the curbing for pickup. **Do not place items in the street.** As a friendly reminder to our citizens, it is against Town Ordinance 98.028 to rake, blow, mow or move grass, grass clippings and leaves into any Town street, sidewalk, gutter or drainage way. This will eventually lead to the blocking of the Town's storm drainage system. **Your cooperation in this matter is greatly appreciated.**
- * Please **do not place LEAVES in trash cans, bags, or other containers.** In addition, please ensure that there are no limbs or other yard debris among the grass, leaves, or pine straw pile. **Items such as limbs or bags will cause damage to the suction truck which proves costly to repair.**
- * Specific routes with days for leaf pickup can be found under the Public Works section of the website. www.wintervillenc.com
- * Please know that if your debris pile is not picked up on the scheduled day, we probably are behind on our routes and will get to your location as soon as possible.
