Vendor Questions

Q.) Is there a maximum page count for the proposal document knowing there is a preference to be brief and concise?

A.) No, there is not a maximum page count.

Q.) Is there an option to email the submission directly to you instead of mailing it?

A.) Yes, either email or mailing is fine.

Q.) Is there further information available on the new multi-purpose center (footprint, square footage, etc.) for the site-specific master plan or is that intended to be designed as part of this process?

A.) To be designed as part of this process.
