The Pulse of the Police – September, 2019

What a great National Night Out/Back to School Bash. The Winterville Police Department has always placed great importance on the relationships we have with residents, businesses, and organizations throughout the Town. Creating and fostering these relationships is a high priority for myself as well as the members of the Police Department. This year, we here at the Police Department have reached out to our community more than ever. We have held numerous events, forums, and meetings to encourage residents to interact with us, ask questions, and get to know the officers who patrol their neighborhoods on a daily basis. We here at the Police Department enjoy spending time with residents and getting to know our communities. We are also very aware that our relationships with the community heavily influence our ability to solve crime and improve quality of life in the Town of Winterville. Many times, success in solving or preventing crime comes as part of a willingness of the community to share information with our officers. The members of our department and I will continue to get out into the communities and it is my hope that, if you see us, you will say "Hi" and get to know us a little better. We also ask that if you see anything suspicious in your neighborhood, no matter how small or insignificant you think it might be, please call us at 252-756-1105. Your calls could assist our officers in making your community a safer place to work and live.

Ryan C. Willhite, Chief of Police

Winterville Parks and Recreation Activities

Tai Chi- Program

Tai Chi is meant to calm the mind and strengthen the body while learning and enjoying the exercise. Tai Chi teaches personal growth and development, breathing and fluid motion exercises, focusing of the mind, and much more.
