PUBLIC WORKS Prevent Sanitary Sewer Backups...

Did You Know...

Most sanitary sewer backups occur between your home and the Town's sewer main? You can help prevent a costly and unsanitary overflow by following a few simple steps:

DO

- * Scrape excess grease in a container and dispose of it in the garbage.
- * Place food scraps in waste containers or garbage bags for disposal with solid wastes, or start a compost pile; promote use of scraping prior to washing.
- * Place a wastebasket in the bathroom to dispose of disposable diapers, condoms, personal hygiene products, and flushable wipes that do not belong in the sewer system.

DO NOT

**** Flushable wipes cause major issues clogging the sewer pumps
PLEASE DO NOT Flush "FLUSHABLE WIPES" ****

- * Pour grease, fats, and oils from cooking down the drain.
- * Use the toilet as a wastebasket.
- * Use the sewer as a means of disposing of food scraps.

If you need assistance with checking your **smoke alarms** or changing the battery, please contact the Winterville Fire-Rescue-EMS Department at (252) 756-2515 or email at fireinspections@wintervillenc.com.

Perfect for everybody and every shape! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

Instructor: Sarah Smith

Location: Winterville Operations Center Training Room: 2936 Church Street

Session Information: Total of 10 classes. Classes every Monday and Wednesday 6:00 pm - 7:00 pm.
