# 125th Anniversary Community Day: Saturday, November 19, 2022.

The Town of Winterville is celebrating its Quasquicentennial (125th Anniversary) this year! The Town was incorporated on March 3, 1897. On November 19, 2022, the 125<sup>th</sup> Anniversary Community Day event will be held in downtown Winterville from 10:00 am to 2:00 pm. We invite everyone to come and join us in fun and fellowship!

As part of Winterville's 125th year anniversary, a bus tour is scheduled for November 12th at 9:30 am starting at Town Hall. Sign-up using the QR Code:

### Winterville Utilities Electric Rate Change

Due to changes in the energy market, the Town had to react to remain financially secure. The Town has absorbed these increases for the past several months stabilizing rates for as long as possible. We realize that this increase will be an unpleasant change for our customers, so please know that we appreciate your patience as we continue to navigate these challenging times. Please contact Customer Services at (252)756-2221 ext. 8009 with any questions or concerns.

Are You Contributing to Storm Drain Blockage?

If you are placing your grass clippings, leaves, limbs, or other debris in the streets, storm drains, or drainage ways; then the answer is yes.

You are contributing to storm drain blockage. These not only create a visible nuisance, but it creates major problems:

- It causes a traffic hazard due to vehicles turning out to miss it
- As it rains the waste is washed down into the storm drain system and builds up, which in turn causes flooding problems.
- Do not place grass clipping, yards debris, or anything else in the storm drain ditches. These drainage ways must remain open and clear of debris to keep from flooding.

#### Yard Waste Pick Up By the Town

The Town of Winterville will **NOT** pick up any yard waste that is placed in the streets. Yard waste must be placed behind the curb and away from utility poles and other services for the town to pick it up . Chapter

98.028 of the Code of Ordinances prohibits placement of objects in streets, gutters, and other drainage ways.
