Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

Winterville Police Senior Watch Program

- The Winterville Police Department believes in a "neighbor helping neighbor" concept and that is why the Winterville Police Senior Watch Program has been created for our elderly.
- Through these partnerships, we will strengthen our relationships between our neighbors and neighborhoods.
- Members can sign up themselves or by family filling out an application. The application is available at the Winterville Police Department.
- The "Senior Watch" program is for seniors who may need our help. These seniors may not have family to check on them or provide some assistance. The Police Department would visit the senior on a scheduled basis to check on their welfare.
- Once the application is received by the Police Department and approved, it is entered into our database and a schedule would be setup for the senior. As a part of the application process, a police official would meet with the senior for introductions.
- Officers will not be able to assist with medications or transportation.

Yoga

Mark your calendars for beginner friendly yoga! In these sessions, classes will be beginner friendly and accessible to everyone. You will work on connecting breath with movement allowing you to create more awareness of the body and mind. Classes will work through sequences helping improve balance, range of motion, flexibility, and overall physical and mental well-being. Variations of postures will be available to allow the student to make the practice their own.

This class is great for people with no prior experience and those who already have a yoga practice. Participants are required to bring their own personal yoga mat to each class.

Bodyweight Fitness Class

Wanting to add more movement and build strength in your body? This class is perfect for all levels to begin or add to their fitness journey. Class will be a balance of strengthening, getting the heart rate elevated, and working on mobility. Multiple variations will be given to allow you to find what is comfortable for your body. We will have a small warm-up, 25-30 minutes of work, and stretch it out at the end. While this is a body weight class you are welcome to bring dumbbells to add additional effort. Please bring water, mat or towel, and a great curiosity to exploring what your body can do!

Cost: \$40 per session.

Registration Deadline: February 2, 2025.

ALL LEVELS ARE WELCOME

Zumba

Perfect for everybody and everybody! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

8-week session

March 4th - April 29th.

Instructor: Sarah Manley

Location: Winterville Operations Center Training Room, 2936 Church Street, Winterville.

Session Information: Total of 6 classes. Classes every Tuesday 6:00 pm - 7:00 pm.

Notification of Residential Garbage, Recycling, and Debris Collection Update

The Town appreciates your patience and assistance in making this process a success. For trash and recycling questions, please call Public Works at (252)-756-2221 Ext. 2412, or, Customer Service at (252)-756-2221 Ext. 8009. For additional information go to <https://www.wintervillenc.com/trash-recycling-collection>

The Town of Winterville has made changes to the services provided for Solid Waste, Recycling, and Debris collection. Many of the changes are due to a new contracts that will allow the town to better service the citizens and eliminate many of the issues that have occurred historically. This includes **all new routes** for garbage collection, as well as, **reducing recycling collection to every other week**, and ending the construction debris route. The Town sought to make improvements and find ways to make sure the Sanitation Department was financially solvent, with the least amount of impact on the majority of our citizens. Please read this Information carefully as there are a numerous changes. Below you will find details about the changes. You will also find maps that show what new route you will be assigned to, and your new garbage and recycling pick up days.

February Solid Waste Schedule

- ◆ Week of February 3rd - Trash Only.
- ◆ Week of February 10th - Trash and Recycling.
- ◆ Week of February 17th - Trash Only.
- ◆ Week of February 24th - Trash and Recycling

For general questions please call:

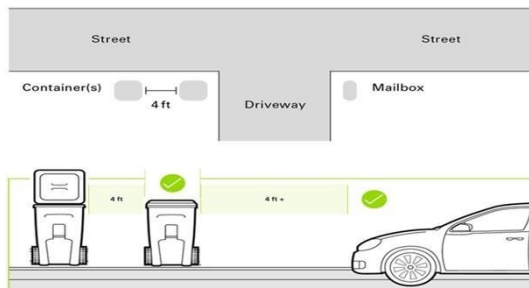

- * Public Works at (252)-756-2221 Ext. 2412 or
- * Customer Service at (252)-756-2221 Ext . 8009.

Additional information can be found at:

- * <https://www.wintervillenc.com/trash-recycling-collection>.

PLACEMENT OF TRASH AND RECYCLE BINS ON PICK-UP DATES

- * Please place your trash can and recycle bin at the curb with the wheels facing your house and the lid opening into the street.
- * Keep your containers at least four feet apart and at least four feet from any obstacles such as mail boxes, cars, lamp posts or power lines.
- * Keep your container at the curb until the end of the day if it has not been collected. Sometimes the timing of our arrival changes and we do not want you to be missed if we come later than expected.
- * It is generally best to put your container out the night before your collection day. That way even if we are early, your pick-up will not be missed.

BEWARE OF THE GREASE GOBLIN

Did You Know...

Most sanitary sewer backups occur between your home and the Town's sewer main? You can help prevent a costly and unsanitary overflow by following a few simple steps:

Do

- ◆ Scrape excess grease in a container and dispose of it in the garbage.
- ◆ Place food scraps in waste containers or garbage bags for disposal with solid wastes or start a compost pile; promote use of scraping prior to washing.
- ◆ Place a wastebasket in the bathroom to dispose of solid waste. Disposable diapers, condoms, and personal hygiene products do not belong in the sewer system.
- ◆ Promote the concept of "3 R's": Reduce, Reuse, Recycle.

Do Not

- ◆ Pour grease, fats, and oils from cooking down the drain.
- ◆ Use the toilet as a wastebasket.
- ◆ Use the sewer as a means of disposing food scraps.

Town of Winterville and Carolina Power Partners have partnered together with Greene Lamp Community Action to be able to provide a one-time energy assistance credit to qualifying customers.*

*Utility account must be held in applicant's name and income verification is required.
