

## Deck Construction

### Plan Requirements:

- Plans must be in blue or black ink or plotted (pencil not acceptable)
- Plans shall be drawn to an architectural scale (Example: 1/4" = 1 foot)
- No construction plans shall be accepted on paper smaller than 11 inch by 17 inch
- Builder's name, project address and contact number shall be written on each set of plans
- Plans must be prepared to meet all applicable requirements of the 2012 NC Residential Code

### Permit Requirements:

- Two sets of plans with builder's name and project address on each set
- An approved zoning compliance (This document is obtained at the Planning Dept.)
- 1 Residential Building Permit Application completed and signed

### Required Inspections

- Footing Inspection (Footing excavation inspected prior to placement of concrete)
- Floor Joist Inspection (Prior to installation of deck boards)
- Final Inspection (After all work is completed)
