Winterville Parks and Recreation Department (WPR) continues to research and follow guidelines, restrictions, and recommendations from organizations at the local, State, and Federal levels related to COVID-19 and Departmental operations. Below is an update on WPR fall youth sports programs based upon information currently available.

**Tackle Football, Flag Football, Soccer, and Cheerleading – All Age Groups:**

Seasons delayed. Delayed season to begin in January and conclude no later than the first week in March. Online registration will remain open in preparation for delayed season start.

We are hopeful that we will be able offer these programs as proposed however, there is always the potential that league play is not possible. If delayed seasons are possible, rules, regulations, and guidelines will be followed with accompanying and pertinent restrictions in place.

We know and understand that participation in the proposed delayed season may not be desired and/or possible for currently registered participants. In an effort to gain specific information related to currently registered participants, we have created a very brief survey in Google Forms. **Please complete form for registered participants no later than 8:00 a.m. on Friday, September 11, 2020.** We will use information obtained to update the respective program's registration list.

**Google Forms Survey Link:** <https://forms.gle/DC6vSs9TuDnuwNFb6>

**Fall Baseball – All Age Groups:**

Season will move forward as planned. Fall baseball season, including games and practices, runs mid-September through October. Registered participants will receive contact from a coach in approximately 2 weeks. Applicable rules, regulations, and guidelines will be followed with accompanying and pertinent restrictions in place.

Due to the uncertain nature of COVID-19, evaluation will continue for both ongoing and future youth sports. Updates will be provided should there be any changes in the status of programs as a result of COVID-19.

If you have any questions, please do not hesitate to contact Department staff by calling 252-756-1487.
