### NON-COMPLIANT BATS FOR - *BABE RUTH SOFTBALL*:

Contained below is a current listing of non-compliant bats that are not eligible, or approved, for use in any Babe Ruth Softball program or activity.

\* Babe Ruth League Softball has been advised that Louisville Slugger is recalling the entire current line of the OneX fastpitch softball bat (all lengths and weights) from the market.

Effectively immediately and until notified otherwise, these bats are no longer approved for play in any level of the Babe Ruth Softball program. It should be noted that both the National Collegiate Athletic Association (NCAA) and the National Federation of State High School Associations (NFHS) have taken similar action at the request of Louisville Slugger. ### PENALTY

- If the illegal bat is discovered prior to a batter completing his "at bat" the bat is simply removed from play and the "at bat" continues.
- A player who uses an illegal bat or non-conforming barrel dimension and hits a fair ball will be ruled out. No advancement on the bases will be allowed, and any outs during the play shall stand. This is an appeal play. The "at bat" will be considered legal once a pitch is thrown to the next batter.
- Any bat discovered prior to the game that does not conform to the above rule shall be directed to be removed immediately and not be allowed for use during the game.
