

Winterville at Work!

SCOOP THE POOP!

Town of Winterville enacted a Town ordinance to regulate dogs running at large. Although this particular ordinance includes many provisions related to dogs within the city limits, the Town would like to remind pet owners that:

“It shall be unlawful to permit any dog to defecate or urinate on the lawn or property of any but the owner, or upon any public or private property without the permission of the owner of that property”

Code of Ordinance section 91.20 paragraph (E).

With this being said, please be considerate to our neighbors and friends by taking the appropriate precautions to ensure that you clean up after your pets.
