GOLDEN AGE SENIOR DROP-IN PROGRAM

PUBLIC WORKS NOTES FROM THE GREASE GURU

Did You Know...

Most sanitary sewer backups occur between your home and the Town's sewer main?

You can help prevent a costly and unsanitary overflow by following a few simple steps:

Do

✓ Scrape excess grease in a container and dispose of it in the garbage.

✓ Place food scraps in waste containers or garbage bags for disposal with solid wastes, or start a compost pile; promote use of scraping ware prior to washing.

✓ Place a wastebasket in the bathroom to dispose of solid wastes. Disposable diapers, condoms, and personal hygiene products do not belong in the sewer system.

✓ Promote the concept of "3 R's": Reduce, Reuse, Recycle.

Do not

✗ Pour grease, fats, and oils from cooking down the drain.

✗ Use the toilet as a wastebasket.

✗ Use the sewer as a means of disposing food scraps.

Aerobic Line Dancing takes place in the Winterville Operations Center located at 2936 Church Street. Class costs \$3.00 per person per session.

Classes held every Tuesday from 7:00-8:00 p.m. Learn a new dance while taking part in a great form of low-impact exercise. Who knew exercise could be so much fun!

If you need assistance with checking your **SMOKE ALARMS** or changing the battery, please contact the Winterville Fire-Rescue-EMS Department at (252) 756-2515 or email at fireinspections@wintervillenc.com.
