Winterville Parks and Recreation Activities

ZUMBA

Perfect for everybody and every shape! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

Instructor: Sarah Smith

Location: Winterville Operations Center Training Room: 2936 Church Street

Session Information: Total of 10 classes. Classes every Monday and Wednesday 6:00 pm - 7:00 pm, September 24th–October 24th.
