Yoga

Mark your calendars for beginner friendly yoga! In these sessions, classes will be beginner friendly and accessible to everyone. You will work on connecting breath with movement allowing you to create more awareness of the body and mind. Classes will work through sequences helping improve balance, range of motion, flexibility, and overall physical and mental well-being. Variations of postures will be available to allow the student to make the practice their own. This class is great for people with no prior experience and those who already have a yoga practice. Zumba

Perfect for everybody and every body! Each Zumba class is designed to bring people together to sweat it out. How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awe-some each time you leave class.

Mosquito Season is here!

The Town asks that residents look to find and empty any containers or standing water on their property. This is where mosquitos lay their eggs and where the larva hatch. The mosquito monitoring program has begun to keep the population under control. The 3 D's of protection:

Drain:

- **Dispose** of old tires. Tires can breed thousands of mosquitos; **Dump** standing water in buckets, flowerpots and planters, children's toys and tarps or pool covers; **Clean** out gutters, unclog drains; and pet water dishes and bird baths.

Dress:

- **Wear** light colored, loose fitting clothing, long sleeves and pants are recommended when outdoors, especially at dawn and dusk.

Defend:

- **Use EPA-registered** insect repellents with DEET, picaridin, or oil of lemon eucalyptus; **Report** areas of standing water to local vector control; **Stay informed** about local mosquito control programs and participate when possible.

**Winterville Town Offices
will be closed**

Monday, September 7, 2026

**In observance of the
Labor Day Holiday**

**We will reopen on Tuesday,
September 8, 2026 at 8:00 am**

Please have a safe Labor Day.
