School is back in session:

This means increased traffic and drive times. Please plan accordingly. School buses will be out twice a day and making frequent stops, so be vigilant; children will not be watching for you! When a school bus stops, so must all other traffic. Violations can result in fines, insurance points, and potentially license suspension. You will also see an increased presence of officers at the schools during drop off and pick up to ensure the safety of our children during these busy times.

Roundabouts...

- Improve safety for all road users by slowing vehicle speeds, reducing conflict points, and preventing head-on collisions
- Improve travel times & fuel efficiency (less unnecessary stopping!)
- Improve air quality (less idling!)

Use your turn signal when you exit.

Once in the roundabout, keep moving – you have right-of-way!

Yield to drivers already in the roundabout.

People on bikes should use the full lane, and drivers should not try to pass them approaching or inside the roundabout.

Zumba

Perfect for every body and everybody! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

Fall Session-Change of Day! Wednesdays. 5-week session

- * October 1st - 29th Instructor: Stephanie Rebmann

Winterville Police Senior Watch Program

- The Winterville Police Department believes in a "neighbor helping neighbor" concept and that is why the Winterville Police Senior Watch Program has been created for our elderly.
- Through these partnerships, we will strengthen our relationships between our neighbors and neighborhoods.
- Members can sign up themselves or by family filling out an application. The application is available at the Winterville Police Department.
- The "Senior Watch" program is for seniors who may need our help. These seniors may not have family to check on them or provide some assistance. The Police Department would visit the senior on a scheduled basis to check on their welfare.
- Once the application is received by the Police Department and approved, it is entered into our database and a schedule would be setup for the senior. As a part of the application process, a police official would meet with the senior for introductions.
- Officers will not be able to assist with medications or transportation.
