Winterville Electric Power Cost Adjustment

As a result of the extreme cold weather that hit the Northeast United States in recent months, the cost the Town pays for natural gas drastically increased.

The Town currently purchases its power from Kings Mountain Energy Center (a combined cycle natural gas generation plant) located in Kings Mountain, North Carolina. To help cover the increased cost of natural gas and to keep the Town’s Electric Fund financially secure, the Town adopted a Power Cost Adjustment (PCA) of 5 cent per kWh for the utility bills that were billed in March.

The PCA was reduced from 5 cent per kWh to 2.5 cent per kWh beginning with the utility bills that will be billed in April and due on April 30th for cycle 2 customers and due on May 15th for cycle 1 customers.

Due to the natural gas prices recently decreasing, the Town plans to end the PCA on July 1, 2026.

We realize that this increase will be an unpleasant change for our customers, so please know that we appreciate your patience as we continue to monitor the prices.

Please contact Customer Service at (252) 756-2221 ext. 8009 with any questions or concerns.

Yoga

Mark your calendars for beginner friendly yoga! In these sessions, classes will be beginner friendly and accessible to everyone. You will work on connecting breath with movement allowing you to create more awareness of the body and mind. Classes will work through sequences helping improve balance, range of motion, flexibility, and overall physical and mental well-being. Variations of postures will be available to allow the student to make the practice their own. This class is great for people with no prior experience and those who already have a yoga practice. Participants are required to bring their own personal yoga mat to each class.

Zumba

Perfect for everybody and every body! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

6-week session

May 19th - June 23rd.

Location: Winterville Operations Center Training Room, 2936 Church Street

Session Information: Total of 6 classes.

Classes every Tuesday 6:00 pm - 7:00 pm.
