Yoga

Mark your calendars for beginner friendly yoga! In these sessions, classes will be beginner friendly and accessible to everyone. You will work on connecting breath with movement allowing you to create more awareness of the body and mind. Classes will work through sequences helping improve balance, range of motion, flexibility, and overall physical and mental well-being. Variations of postures will be available to allow the students to make the practice their own. This class is great for people with no prior experience and those who already have a yoga practice. Participants are required to bring their own personal yoga mat to each class.

6-week sessions - Cost $60 per session.

Tuesday mornings: December 29th - February 2nd, 8:00 am - 9:00 am.
Instructor: Frannie Ayers.
Location: Winterville Operations Center Training Room, 2936 Church Street.
Registration Deadline: December 28th.

Zumba

Perfect for everybody and everybody! Each Zumba class is designed to bring people together to sweat it out.

How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you will see why Zumba Fitness classes are often called exercise in disguise.

Benefits: A total workout, combining all elements of fitness - cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

- January 5th - February 9th (Tuesday evenings) 6:00 pm - 7:00 pm.
- Instructor: Wendy Peterson.
- Location: Winterville Operations Center Training Room, 2936 Church Street.
- Registration Deadline: January 5th.

Important Notice: Bank BillPay Service

If you use your bank's online "BillPay" service to send your payments, please remember that your bank does not send these funds electronically. Instead, your bank prints a physical paper check and mails it to us via the U.S. Postal Service.

To ensure your payments arrive on time and to avoid late fees, please keep the following in mind:

- Schedule early: Mail delivery can take time. Always schedule your bank Bill Pay transfer at least 7 business days before the actual due date. The Town is not responsible for payments received late due to postal service delays.
- Account tracking: Ensure your bank includes your Account Number on the check's memo line so the payment is credited correctly.
- Funds deduction: Most banks withdraw the funds from your account before they mail the check, not when we receive or cash it.

To ensure your payment is credited on time and to avoid postal delays, we highly recommend enrolling in automatic bank draft as an alternative.
